The **Engineering** Community  
across India is  
celebrating **Engineers Day** on  
15 September every year as  
a remarkable tribute to the  
greatest  
Indian **Engineer Bharat  
Ratna  
M. Visvesvarayya.**

**“Engineering for A Healthy Planet”  
is the theme of Engineers Day 2021**

**Engineer’s Day.....**

### Engineer's Day Celebration

The Department of Electrical Engineering under the guidance of Head Of Department, Dr.S.M.Badave had organized a small program in online mode for Engineer's Day to pay homage to commemorate the 160<sup>th</sup> birth anniversary of Bharat Ratan Dr. Mokshagundam Visvesvarya. The program began with the preamble by Prof. Saurabh Kohli followed by a video which showcased the life and achievements of Dr. Mokshagundam Visvesvarya. On this occasion some students presented their skills in poster making by demonstrating how engineers craft the world and how smart homes can change the way emissions can be reduced. There were poetry submissions by some students. The program came to a conclusion with a small debate between student volunteers on the topic "Is India ready for E-Vehicle?" .The debate was very interactive and reflective of student's opinion on the same. The program concluded with vote of thanks.

The true teachers are those  
who help us  
think for ourselves.

– Dr. Sarvepalli Radhakrishnan

*Happy Teachers Day*

Teachers' Day is celebrated on September 5 annually to commemorate the birth anniversary of renowned scholar, recipient of Bharat Ratna, first Vice-President, and second President of independent India, Dr Sarvepalli Radhakrishnan. It was designated in 1962.

## *World Architecture Day..*

The **day** is traditionally celebrated globally on the first Monday in October to coincide with the United Nations' **World Habitat Day**.

The **day's theme** for **2021**, as selected by the **International Union of Architects (UIA)**, is "**Clean Environment for a Healthy World.**"

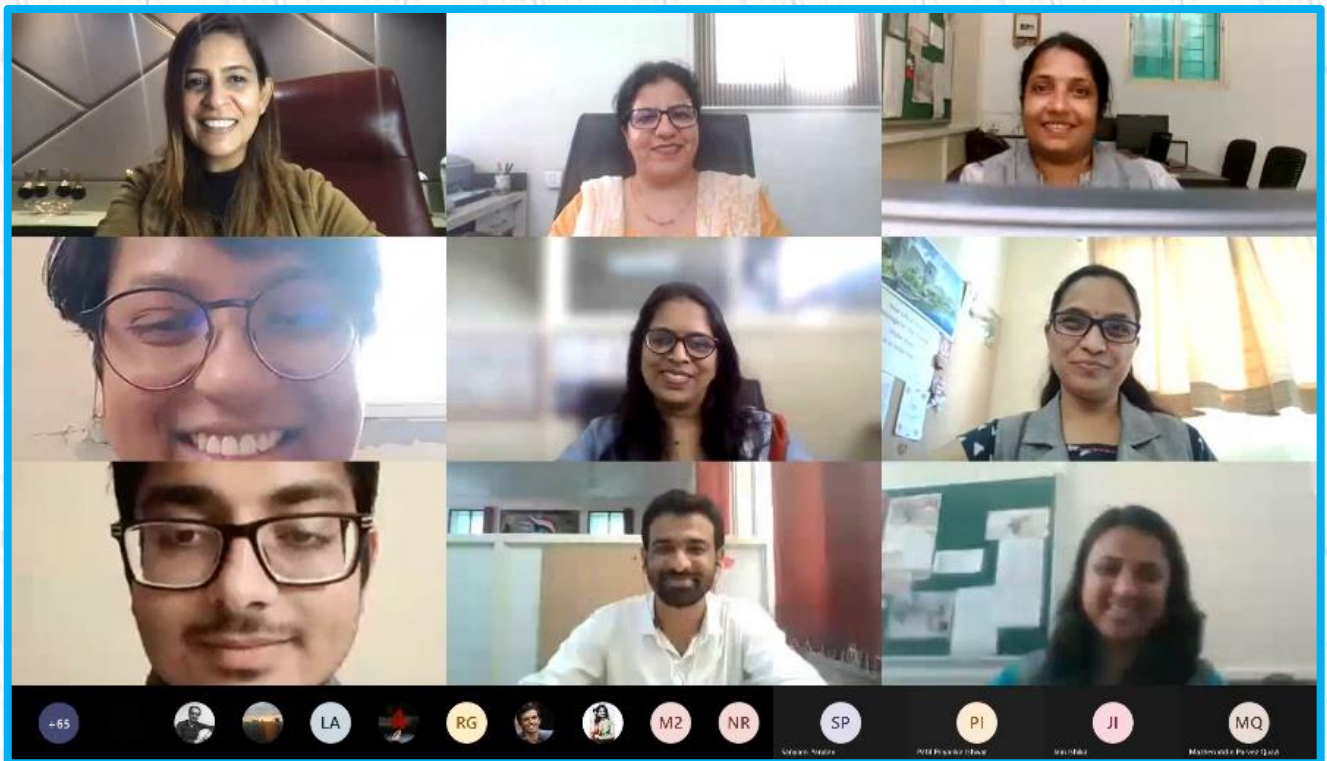

### **World Architecture Day Celebration**

World architecture day, celebrated on the first Monday of every October, was set by the Union International des Architects (UIA) back in 2005 to remind the world of its collective responsibility of architects in designing our future cities and settlements. World Architecture Day was celebrated on 4<sup>th</sup> October 2021. It was an online event conducted through Microsoft teams. Program started at 1:00 pm with a welcome speech by Riya Gadiya (third Year Student). Introduction and importance of world architecture day was explained by Srusti Uttarwar, Third year student. Prof. Leena Aphale summarised the events and activities conducted on 3<sup>rd</sup> October 2021 as NASA day celebration. HOD Prof. Kuldeep Kaur Bhatia welcomed the guest speaker Ar. Tina Dharamsey and wished everyone on the occasion of world architecture day. Apart from world architecture day we also celebrated the birth anniversary of Ar. Le Corbusier, Shashank Kulkarni (Second Year Student) gave a brief introduction about his life and the architectural marvels he created. Our Alumni Guest Speaker Ar. Tina Dharamsey was welcomed by Second year student Shaikh Adeeba. Our guest speaker presented some of her amazing work which was very encouraging to the students. This session was concluded with a guest student interaction. All the merit holder students in academics as well as co-curricular activities were facilitated with a certificate. Certificate of appreciation was presented to our student forum team who made this event successful. Rishabh Deora (fourth year student) concluded the event with a thanksgiving speech.

### **NASA Day Celebration**

On 3rd October 2021, department of Architecture MIT, Aurangabad organized an event for NASA DAY celebration. The department with students of all years and faculty visited a place namely “Sankalp Vanrai” at Beed By-Pass, Aurangabad. On 3rd October everyone including teachers and students gathered at the given venue till 7am. Before starting, the breakfast was arranged by college. Then everyone introduced themselves and Vanrai officials gave us a brief regarding the place, about the water management system and their motive behind Sankalp Vanrai. Later all students were divided into 3 teams and were guided by officials for various different tasks like donation of labor (shram-dan), tree plantation, cleaning the space and many more. In total we planted 150 trees and pulled out the grass in many areas, cleaned the nearby surroundings of the trees. After working for almost 2 hours everyone gathered at one place and there small breakfast was arranged by Sankalp Vanrai. While having breakfast the officials had a small talk with everyone. In between HOD Prof. Kuldeep Kaur Bhatia ma’am guided us with the benefits of afforestation and its role in architecture. After a 30 minute break we all were ready for the photography and sketching competition. All students actively participated. Beautiful sketches of nature were drawn and photographs were clicked by the students. The results of competition were declared the next day in which Sharayu Dhavne won first prize in Photography and Shreya Deshpande won first prize in Sketching competition. Further the event was concluded by 11:30 am.

### STTP Organized

#### 'Recent Trends in Automotive Sector and Future Prospective'

Organizer: Dr. V. B. Pansare, Prof. A.V Gadekar, Prof. N.A Shaikh, Prof. N.R Chavda, Department of Mechanical Engineering, Marathwada Institute of Technology. Aurangabad.

**Date:** 30<sup>th</sup> Aug to 3<sup>rd</sup> Sept 2021.

**No of participants :** 146

#### Speaker :

- Mr. Pradeep Gothe (OKLEEM, Pune), Mr. A. Kannan (Scientist "D" VRDE DRDO, Ahmednagar)
- Dr. D.G. Thakur (DIAT, Pune), Dr. Datta Parle(Simulation Center, Pune).
- Dr. C. L. Gogte (MIT A'bad), Dr. Satish Chinchorkar (Ex. Director Varacity Pune),
- Mr Naseem Khan (CadSync Technologies), Mr. Shirish Kadam (Kutmaster, Pune),
- Mr. Deepak Kolte (Robonist Tech Solutions Pvt Ltd,Aurangabad)

**STTP Attended**

**Training of trainers (TOT) in CNC Programming & Operation.**

Organizer: **SANKALP-MAC**

Date: 5th July 2021 to 6th October 2021

Attended by : Mr. Nameet Kumar Sethy

**Conference Attended**

**International Conference on Recent Advances in Mechanical Engineering Research and Development (ICRAMERD-21)**

**Organizer:** Siksha 'O' Anusandhan Deemed to be University, Bhubaneswar, Odisha, India

**Attended by :** Dr. Kishor Kulkarni      **Date:** 24th – 25th September 2021

## THY HANDS

Dear sir, you are  
our best teacher!  
Because of you only  
is blossoming our future.  
On wandering aimlessly, thy  
hands are  
to show us the right path.  
On pursuing good things, they are  
to bless us.  
On committing mistakes, they are  
even to slap on our cheek.  
On hard time, they are  
to clap to enhance our morale.  
On victory, they are  
to pat on our back.  
On achieving climax of success,  
they are  
to enfold us with proud.
