“One day workshop On “Accreditation Process and Documentation regarding NBA preparation”.

Three days workshop on 14th Dec.2019 was organized by Civil Engineering Department of Marathwada Institute of Technology, Aurangabad.

Key note speakers of the workshop was Dr. Ashok Varne, Professor, K.K. Wagh Engineering College, Nashik .Total 28 participants were present in the workshop.

Key Points:

- NBA process has been discussed with presentation
- Explained the NBA documentation work for departmental level and Institute level as per the NBA guidelines
- Represented their college NBA work with criteria wise documentation files
- Necessary guidelines and suggestions were given for NBA coordinator and faculty members while facing committee visit.

Felicitations were done by Dr. H. M. Dharmadhikari, Vice Principal-Administration, MIT (E) in presence of Dr. Sayyad Ajjij (VP-Academics), Dr. M. S. Dixit (HCED), Dr. S. V. Lahane (HMED), Dr. R. B. Naik (HCSED), NBA coordinators and faculty members of Civil, Mechanical, Electronics Engineering Department. The Workshop was concluded (Vote of thanks) by Dr. Sayyad Ajjij (VP-Academics)

Expert Lecture.....

Department of Civil Engineering

Expert talk by Dr. Sanjay G. Shah, Chief Medical Officer, SVNIT, Gujarat

An enlightening talk by Dr. Sanjay G. Shah was organised at the Conference room, Main Building, Marathwada Institute of Technology, Aurangabad on Saturday, 30 November, 2019 at 2:30 pm. The focus of the talk was Health awareness and Motivation under the title “**Journey of Life**”.

Dr. Sanjay Shah was accompanied by Dr. U.J. Kahalekar (Professor in Civil Engineering, GECA) during the visit to MIT.

The session started with an introductory talk followed by felicitation of the guest by the Dr. N.G. Patil (Principal). Both VPs (Academics and Administration) and all Head of the Departments were present for the session. In addition approximately 25 faculty members from various departments were also present for the talk.

Dr. Sanjay Shah, through a multimedia presentation, shows the various aspects of life and induce the participants to understand the importance of universal human values with focus on mental, spiritual and social wellbeing.

Expert Lecture.....

Department of Civil Engineering

Department of Architecture

An Expert Talk was organized by Department of Architecture at MIT on 25th Nov 2019 from 9:00 am till 3:00 pm. for M.Arch-Urban Design students. The Speaker for the Expert Talk session was **Ar. Pradyumna Sahasrabhojane** (Owner – Integrated Design Concepts, Nagpur, Maharashtra).

Ar. Pradyumna Sahasrabhojane is an architect and Urban Designer by profession, he is passionate about conserving heritage structures. He trained thousands of students and explained to them the concepts of ornithology, ecology and environment. He has written articles on holistic approach for eco-development of cities and indigenous approach towards architecture.

It was a fruitful interactive session in which he guided students of urban design on the role of urban designer and the intensive design work on important contemporary urban and development challenges. He explained the importance to develop both practical skills and critical thinking. The lecture presented an understanding of the role of various physical, social, economic and infrastructural components and decision making processes.

Events.....

Department of Mechanical Engineering

Campus Drive :

Grind Master Company conducted placement drive in Marathwada Institute of Technology, Aurangabad on 14/09/2019.

Visit to department by Alumni:

Alumni visited to Marathwada Institute of Technology, Aurangabad in November. Alumni actively participated in tree plantation.

Students Association

Department of Computer Applications(CA)

The inauguration of MCA and B.Voc. student association held on 15th Nov. 2019 in Auditorium hall. The event was coordinated by Prof. Vrushali Bhuyar in association with CA department. For this event Dr. Nilesh Patil sir, Principal MIT(E), Dr. Dharmadhikari sir, Vice Principal, Admin section was the chief guest. Objectives of this event was to give students an opportunity to develop leadership by organizing and carrying out departmental activities. To foster communication among students, staff, and the community. To promote, organize and execute activities that encourage student pride and college spirit. To share student ideas, interests and concerns with the school wide community.

Dr. Nilesh Patil (Principal MIT(E)) and Dr. Dharmadhikari (VP-Admin) inaugurates the function. They congratulate the students who got selected for the various post of student association and felicitate the students by giving appointment order. Appeal to students to organize different activities under this and also to participate in various activities to groom.

Department of Computer Applications(CA)

Fresher's and Farewell celebration Nexplora 2K19

The fresher's and Farewell event was held on 16th Nov. 2019 in main auditorium for FYMCA, B. Voc first year and TYMCA students respectively. The event was organized by department of Computer Applications. The objective of the event was to give students an opportunity to develop leadership by organizing and carrying out departmental activities. To foster communication among students, staff, and the community.

Students of SYMCA and SYBVoc organized fresher's for FYMCA and FY BVoc students also farewell for TYMCA students. Students participated in singing, dancing, fashion show and many more activities. All the faculty members were present for the fresher's and farewell program. Program followed by dinner was provided. Students enjoyed a lot this event.

Students and Faculty members achieved Success in NPTEL Examination Jul - Dec 2019

Students and faculty members have achieved a great success by attaining 04 toppers, 06 gold, 26 silver medals and 46 Elite Certifications in NPTEL Examination conducted during July-December 2019. Total 125 students and faculty members took this exam and got 36 medals in total. NPTEL is the online portal of Government of India, which facilitates students and faculty to take online courses in engineering and science through E-Learning.

Following faculty members received special recognition as NPTEL MOTIVATED LEARNERS Dec-2019

- 1. Dr. Aruna Maharolkar**—Faculty Basic Science and Humanities Department **(Courses taken-11)**
- 2. Deepali Hejib** – Faculty Architecture Dept. **(Courses taken -08)**

Following student and faculty member received special recognition as NPTEL ENTHUSIASTS Dec 2019

- 1. Yash Zilpilwar** – Student Civil Department **(Courses taken - 09)**
- 2. Dr. Ganesh Kakade**—Faculty Basic Science and Humanities Department **(Courses taken-09)**

Following faculty member received special recognition as NPTEL DISCIPLINE STAR Dec 2019

- 1. Deepali Hejib** – Faculty Architecture Dept. **(Courses taken -08)**
