Dr. Babasaheb Ambedkar Technological University, Lonere, Raigad
Time Table of MCQ based Online Regular Examination – Winter 2021
(B.Vocational)

Date	Time	Branch	Subject Code	Subject Name
18-05-22	10 AM to 12 AM	Data Science	BVDSC101	IT Foundation and Programming Concepts
		Software Development	BVSWC101	IT Foundation and Programming Concepts
		Industrial Automation and	BVIMC101	Elements of Electrical and Electronics Engineering
		Automotive Mechatronics	BVAMC101	Fundamentals of Computer
		Automobile Servicing	BVASC101	Motor Vehicle Technology - II
		Industrial Tool Manufacturing	BVTMC101	Machine Tool Technology
		Electronics Manufacturing Services	BVEMC101	Electronic Measurements and Instrumentation-I
		Interior Design	BVIDC101	Interior construction -I
		Medical Lab Technology	BVMLC101	HUMAN ANATOMY
		Medical Image Technology	BVMIC101	Communication Skill
		Graphics and Multimedia	BVGMC101	Web Applications
		Software Development	BVSWC301	Software Engineering
		Industrial Automation and	BVIMC301	Feedback Control Systems
		Electronics Manufacturing Services	BVEMC301	Fault Analysis & Repairs
		Automotive Mechatronics	BVAMC301	Electrical Machines & Control System
		Automobile Servicing	BVASC301	Automobile Electrical System
		Medical Lab Technology	BVMLC301	ADV. MEDICAL LAB INSTRUMENTATION
		Medical Image Technology	BVMIC301	Cross Sectional Anatomy-I
		Graphics and Multimedia	BVGMC301	Principles of Animation and Techniques of Animation
18-05-22	2 PM to 4 PM	Software Development	BVSWC501	Technology Trends in IT
		Idustrial Tool Manufacturing	BVTMC501	Reliability, Maintenance & Safety Engineering
		Electronics Manufacturing Services	BVEMC501	Embedded System
		Interior Design	BVIDC501	Environmental Studies
		Automobile Servicing	BVASC501	Automotive System Design
		Graphics and Multimedia	BVGMC501	Digital Compositing

Date	Time	Program	Code	Subject
19-05-22	10 AM to 12 AM	Data Science	BVDSC102	Programming in C++
		Software Development	BVSWC102	Professional Communication
		Industrial Automation and	BVIMC102	IT Foundation and Programming Concepts
		Automotive Mechatronics	BVAMC102	Communication Skills
		Automobile Servicing	BVASC102	Automobile Electrical Equipment
		Industrial Tool Manufacturing	BVTMC102	General Mechanical
		Electronics Manufacturing Services	BVEMC102	Identification of Components, Tools, SOP & Work
		Interior Design	BVIDC102	Interior Drawing and Graphics
		Medical Lab Technology	BVMLC102	BIOMOLECULE
		Medical Image Technology	BVMIC102	Applied Physics
		Graphics and Multimedia	BVGMC102	Communication Skills - I
		Software Development	BVSWC302	Relational Database Management System
		Industrial Automation and	BVIMC302	Introduction to Electro Hydraulics & Electro
		Electronics Manufacturing Services	BVEMC302	Control Panel
		Automotive Mechatronics	BVAMC302	Digital and Power Electronics
		Automobile Servicing	BVASC302	Automobile Drawing & Design
		Medical Lab Technology	BVMLC302	CLINICAL BIOCHEMISTRY
		Medical Image Technology	BVMIC302	Basic Imagaing
		Graphics and Multimedia	BVGMC302	Basic of 3-D Modelling
19-05-22	2 PM to 4 PM	Software Development	BVSWC502	Advanced PHP
		Idustrial Tool Manufacturing	BVTMC502	Design Concepts in Engineering
		Electronics Manufacturing Services	BVEMC502	UPS and Inverter Technician
		Interior Design	BVIDC502	Research Methodology
		Automobile Servicing	BVASC502	Alternative Fuel and Emission Control
		Graphics and Multimedia	BVGMC502	3D Texturing
20-05-22	10 AM to 12 AM	Data Science	BVDSC103	Discrete Mathematical Structures
		Software Development	BVSWC103	Programming in C++
		Industrial Automation and	BVIMC103	Basic Instrumentation
		Automotive Mechatronics	BVAMC103	Fundamental of Industrial Management
		Automobile Servicing	BVASC103	Two and Three Wheeler

		Industrial Tool Manufacturing	BVTMC103	Industrial Engineering
		Electronics Manufacturing Services	BVEMC103	Tools, Equipment and Safety Measures-I
		Interior Design	BVIDC103	Interior Materials & Products-I
		Medical Lab Technology	BVMLC103	GENERAL MICROBIOLOGY
		Medical Image Technology	BVMIC103	Applied Biology
		Graphics and Multimedia	BVGMC103	Graphic Design
		Software Development	BVSWC303	Advanced Java Programming
		Industrial Automation and	BVIMC303	Computerized Numerical Control Machines
		Electronics Manufacturing Services	BVEMC303	Electronics Devices Circuit
		Automotive Mechatronics	BVAMC303	Environmental Studies and Professional Ethics
		Automobile Servicing	BVASC303	Automobile Engine System
		Medical Lab Technology	BVMLC303	VIROLOGY AND MYCOLOGY
		Medical Image Technology	BVMIC303	Patient Care in Radiography
		Graphics and Multimedia	BVGMC303	Texture and Lighting
20-05-22	2 PM to 4 PM	Software Development	BVSWC503	Introduction to Python Programming
		Idustrial Tool Manufacturing	BVTMC503	Product Design and Development
		Electronics Manufacturing Services	BVEMC503	Solar and LED Technician
		Interior Design	BVIDC503	Estimating and Costing
		Automobile Servicing	BVASC503	Automobile Maintenance Service & Repairs -I
		Graphics and Multimedia	BVGMC503	Basic of Accounts-I
21-05-22	10 AM to 12 AM	Data Science	BVDSC104	Descriptive Statistics
		Software Development	BVSWC104	Operating System (OS)
		Industrial Automation and	BVIMC104	Workshop Technology
		Automotive Mechatronics	BVAMC104	Manufacturing Technology
		Automobile Servicing	BVASC104	Modern Electric and Hybrid Vehicles
		Industrial Tool Manufacturing	BVTMC104	Metrology and Measuring
		Electronics Manufacturing Services	BVEMC104	Soldering & De-Soldering of Components-I
		Interior Design	BVIDC104	History of Furniture-I
		Medical Lab Technology	BVMLC104	LAB INSTRUMENTATION -I
		Medical Image Technology	BVMIC104	Basic Electronics

		Graphics and Multimedia	BVGMC104	Illustration and Photo Editing
		Software Development	BVSWC304	Window Configuration and Server Administration
		Industrial Automation and	BVIMC304	Microcontrollers & Applications
		Electronics Manufacturing Services	BVEMC304	Electronics System Packaging and Manufacturing
		Automotive Mechatronics	BVAMC304	Microcontroller Programmable Logic Controller
		Automobile Servicing	BVASC304	Auto Body Repair Denting and Painting
		Medical Lab Technology	BVMLC304	BLOOD BANKING
		Medical Image Technology	BVMIC304	Radiation & Administrative Issues
		Graphics and Multimedia	BVGMC304	Communication Skill-III
21-05-22	2 PM to 4 PM	Software Development	BVSWC504	Relational Database Management System
		Idustrial Tool Manufacturing	BVTMC504	CAD & CAM
		Electronics Manufacturing Services	BVEMC504	Industrial Electronic Product Design
		Interior Design	BVIDC504	Interior Professional Practice
		Automobile Servicing	BVASC504	Auto NVH-I
		Graphics and Multimedia	BVGMC504	Computer Graphics

Controller of Examination

Note:

Examination window is open for two hours however actual examination time is 60 minutes.
