A Webinar on the topic “Non-destructive Testing” was arranged by IGS Aurangabad Chapter in association with Civil Engineering Department, Marathwada Institute of Technology, Aurangabad on 18th June 2021 in two sessions. First session for basic/ theoretical knowledge from 11:30 am to 01.20pm & second for demonstration session on NDT technique at 02.05pm to 04.05pm. Prof. V. R. Upadhye; Prof. Fahad Syed; Prof. Fahad Syed; Prof. Y. D. Shermale, (Faculty Members, Civil Engineering Department, Marathwada Institute of Technology, Aurangabad) were the resource persons. More than 50 participants (including students and faculty) attended the webinar.

Prof. V. R. Upadhye & team gave idea & demonstration of Non-destructive testing technique. He elaborated the site challenges associated with different NDT techniques. Many old structures, how to finding the strength of live structure or any structural components, sir & his team clarified with demonstration. They presented many practical examples on NDT techniques. The polytechnic & undergraduate students were highly benefitted by his talk & demonstration.

Dr. Manish S. Dixit (HCED & Secretary of IGS Aurangabad chapter) introduced the speakers. Vote of thanks was proposed by Prof. U. S. Salunkhe (Faculty & Member of IGS Aurangabad chapter). Prof. Y.D. Shermale, Prof. Prof. Fahad Syed, Prof. A. P. Jaiswal took efforts in successful completion of the webinar.

Dr. Manish S. Dixit
HCED (MIT) |Hon. Secretary,
