WEBINAR REPORT

Topic of webinar: “Career Opportunities in Onshore & Offshore Oil & Gas Industry”

Date of webinar: 8th May 2021

Time: 11.30am

Details of Speaker: - Mr. Girish Rakhonde & Mr. Bagirath Patel

Managing Director's,

OM Entrepreneur & Placement Consultants, Kalyan & Vadodara.

A technical lecture was arranged by IGS Aurangabad Chapter on ‘Career Opportunities in Onshore & Offshore Oil & Gas Industry’, in association with Civil Engg Dept. of MIT, Aurangabad on 8th May 2021 through online mode on Google meet. Lecture was delivered by Mr. Girish Rakhonde & Mr. Bagirath Patel from Mumbai & Vadodara respectively. Lecture included the information related with structures in oil refineries both on onshore & offshores. Mr. Girish shared self-experience about his struggling for right job. He also said, it is important to select and specify suitable career path while searching for jobs after graduation. Mr. Bagirath also explained that only operating the software's is not enough, one should know all the basics before using any related software. Both guided the students for choosing any career and opportunities in Onshore & Offshore Oil & Gas Industries as a civil engineering concern.
