

Mosaic 2022 was organised on 14th 15th and 16th March 2022 by department of Architecture under the theme “Interpreting Ideas”. It is an initiative to engage students in extra-curricular activities as well as to appreciate their academic excellence. It’s a platform to give and take knowledge. Technical workshops, expert talks and Exhibition were organised to encourage the artistic stimuli of the students. On the First day, Pune based Ar. Anita Dake, Principal Architect, Vector Designs. Enlightened the students with the geometry and joinery of Tensile Structures. Workshop was organised where in students worked in group and made various tensile structures. Same workshop along with “Ferrocement workshop” by Mr. Girish Sangle and Team of Ferrocement Society, Pune was organised. Where students of all years co-ordinately worked on various installations in the Campus. Exhibition was organised where in yearly work of students was exhibited. Students Activities and competitions and games were organised. Meritorious students and winners of the competitions were felicitated on the concluding day.
