

“UX DESIGN” WORKSHOP

23rd August 2021,

“UX Design” workshop was conducted in Department of Architecture, MIT, Aurangabad exclusively for Fourth year students as a part of their academic curriculum. It was 6 days workshop starting from **16th of August to 21 of August 2021**. The felicitator of the workshop was Ms. Shetall Natuu from Pune, founder director of Umber IT Solutions Ltd. She is also a mentor, consultant and start-up enthusiast.

The workshop included an introduction to the discipline – UX Design, its basics and scope. Workshop incorporated 5 days for different topics and processes that drives UX Design. On 6th Day all work done by students was reviewed and marked by Shetall Ma’am.

The workshop was in general very informative and interactive. Throughout the workshop Shetall Ma’am interacted and shared her experience of past 25 years in brief. She also enlightened the mentees about the future of UX Design and opportunities for a UX Designer.

The 6 days Workshop concluded with the formal vote of thanks and experiences shared by the students.
