Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>Looking the prevailing COVID-19 pandemic situations, MIT, Aurangabad has planned to conduct the online classes for students till the normalcy and guidelines from University allowing us to conduct the face-to-face teaching-learning. Following are the measures taken into consideration while delivering the curriculum through online mode at Institute:</p> <p>? Online teaching-learning involve the live online interactive sessions supporting audio and video streaming. At Institute, we are using the 'Microsoft Teams' application software for all classes.</p> <p>? Institute owns the sophisticated ERP system, which supports the online support for all academic and administrative activities. Specifically it includes the Academic module, which takes care of everything that is central to learning, education, and teaching. For example: courses and configuration, syllabus patterns, core & elective subjects, different evaluation methods, monitoring, mentoring, projects, practical's, tutorials and many more. Academics are supported with an easy and collaborative Content Management System through which faculty can share educational content, manage projects & assignments, handle notifications, conduct quizzes etc.</p> <p>? We have integrated our ERP system with the Microsoft Teams software focusing on the requirements from students and teachers perspective.</p> <p>? For Practical/Laboratory sessions, we planned to use the learning resources like 'Virtual Laboratory' established at various IIT/NIT. Wherever possible, for example, in courses where programming/simulation skills are involved, we are conducting online sessions for these practical courses. In case of hardware based experiments, we have planned to prepare the Videos/Manuals specific to the curriculum based experiments using Institutional experimental setups.</p> <p>? We are conducting all University prescribed assessments and evaluation in the online mode.</p> <p>? The students and faculty coming to campus after reopening, they followed social distancing. In new normal condition, partial curriculum delivery is also planned through online mode.</p> <p>We assured that Institute is taking utmost care to deliver the education to students in online mode following the guidelines of University/regulating authorities.</p>
